Dear Claudia

Thank you so much for the donation received from your church. It was a wonderful Christmas present and has come just at the right time as we are really needing funds for our running costs.

We would like to thank you for your support this this year, without which we would not be able to give our children a good upbringing.

We hope that you all have a blessed Christmas with family and friends and we look forward to working together next year to give these children a future and a love for our Father in Heaven.

Regards, Neil and Michelle
